NOTIFICATION

Simla-4, the 2nd February, 1955 *

No. Ex-38-120/53.—Press Notes No. 72, dated the 20th October, 1954 and No. 66, dated the 10th September, 1954 respectively regarding Sales Tax issued by the Government of Madras for the information of non resident dealers are hereby published for general information :—

GOVERNMENT OF MADRAS

Public (Information and Publicity) Department

Press Note No. 72 dated the 20th Oct. 1954.

In Press Communique No. 2, dated 10th June, 1954 the non-resident dealers were informed that they should submit the returns (in Form A-3A) for the quarters ending June 30, 1953, September 30, 1953, and December 31, 1953 on or before June 15, 1954, and for the quarter ending March 31, 1954 before June 30, 1954, and that they should apply for licences for the year 1953-54, and 1954-55 and for registration for the year 1953-54, on or before June 15, 1954. Subsequently with reference to certain representations received from the Mysore Chamber of Commerce, this Government in their Press Communique No. 3, dated 27th July, 1954 extended the time limit for filing the several returns by non-resident dealers till 31st July, 1954.

It has been represented that only a few non-resident dealers had applied for registration and licences and submitted turnover returns within the prescribed date, namely 31st July, 1954. It has also been pointed out that there are still a large number of non-resident dealers who have yet to register themselves, apply for licences, and submit turnover returns. As the orders stand at present, penal action can be taken for late registration and late submission of turnover returns. In the case of licences, applications for licences for 1953-54 received after 31st July, 1954 were liable to be rejected. In order to avoid hardship to the non-resident dealers, the Government extend as a special case, the time for submitting applications for licences and registration and the quarterly returns by non-resident dealers till the 15th November, 1954. The Government, however, wish to make it clear that unless the non-resident dealers avail themselves of this opportunity and submit the applications for registration and licences and also file the quarterly returns prescribed within the period aforesaid, they will not be eligible for licences in the case of commodities taxable at concessional rates, and that penal action will

be taken against them for non-registration and non-submission of returns.

Issued by the Director of Information and Publicity, Fort St. George, Madras.

Press Note No. 99 dated 10-9-54.

In Press Note No. 4, dated 9th January, 1954 this Government made it clear that they had decided to levy sales tax on those interstate transactions which were brought within the taxing powers of this Government by the Supreme Court Judgment in C. A. No. 204 of 1952, with retrospective effect from April 1, 1953 and to forego the levy prior to that date. In Press Communique No. 2 dated the 10th June, 1954, the attention of the non-resident dealers was drawn to the amendments to the Madras General Sales Tax Rules, 1939, and the Madras General Sales Tax (Turnover and Assessment) Rules, 1939 published at pp. 217-222 of the Rules supplement to part I of the Fort St. George Gazette, dated the 2nd June, 1954, in the matter of submission of returns etc.

Subsequent to the issue of the Press Note and the Press Communique referred to above representations were received from Merchant Associations to the effect that they should be exempted from payment of sales tax on interstate transactions as from April 1, 1953 onwards, on the ground that they had not collected the tax from their principals etc., as they were not sure whether legally they were entitled to collect the tax. The Government examined the representations, and they felt that some concession should be shown to those merchants who failed to collect the tax in the first half-year of 1953-54 (i. e. from April 1, 1953 to September 30, 1953) and who could prove by their accounts that they had not actually collected the tax. The Government have therefore ordered that in cases where the merchants had not collected any sales tax on interstate transactions during the first half year of 1953-54, no sales tax need be collected from them for that period in respect of interstate transactions. The presumption will be that the tax had been collected by the merchants unless they can positively prove by their accounts that they had not actually collected the tax.

The Government wish to make it clear that no such concession will be shown to the merchants for the second half-year of 1953-54 irrespective of whether the tax had actually been collected by the dealers or not.

Government of Madras.*
